

# 123 Personal Prayer Plan

## Pray for these everyday...

### ONE Point of Personal Growth

An area in which you need to grow. Ask God to guide you in that area. Commit to growth, develop a plan as God leads, and take the first steps of obedience.

The growth point for which I am praying during the Thirty Days of Prayer is:

---

### TWO Roles of Service

Two ways in which you serve the Lord through the church. Ask God to show how to do the right things with excellence. Commit to strengthening your skills in your areas of service.

My two areas of service for which I am praying during the Thirty Days of Prayer are:

---

### THREE Lost Friends or Relatives

Pray for them by name each day. Ask God to work in their hearts to bring them to Christ. Make yourself available to God as a witness.

Three lost people for whom I am praying during the Thirty Days of Prayer are:

## Prayer Trail

The entrance to the prayer trail is located on the left side of Friendship Road as you travel west toward Friendship; it is past the pharmacy and the white Herren house. There is a place to pull over on the right and a yellow school zone sign on the left. The entrance is by the yellow sign and the trail is marked with red ribbon (ignore the pink; that was used for making the topographical map).

As you walk the prayer trail, pray for two basic areas: the formation of the master site plan and the ministry that will take place at the new location.

As you walk the trail... Pray for architect Gary Nicholson as he works with the Forward Vision Team in developing the Master Site Plan. Pray for future staffing and ministry strategies at First Baptist. Pray for God's presence, leading, and blessing. Above all else, ask God to exalt Christ here.
