

Letter of Intent

A Covenant of Church Membership

It is my intention as a believer in Christ, having received the gift of eternal life and experiencing the new birth, to identify myself with the Lord's church. From this moment forward, I am identifying myself with the First Baptist Church of Tallassee. I have either experienced believer's baptism or am stating my intention to do so now. I am accepting personal responsibility to promote the mission, protect the reputation, and ensure the success of First Baptist Church.

It is my intention to live for Jesus and to grow spiritually.

It is my intention to share the beliefs of the church as expressed in its confession of faith.

It is my intention to be faithful in Christian fellowship, faithfully supporting the services of the church.

It is my intention to serve Jesus through His church.

It is my intention to share in advancing the mission and vision of the First Baptist Church as expressed in her purpose statement and church principles.

It is my intention to help win Tallassee to Jesus Christ.

It is my intention to support the work of First Baptist Church with my tithes and offerings.

I understand that **it is the intention of the church** to support me in so doing. Therefore, I enter into covenant with the Lord and with His church.
